I am a person who constantly strives to learn something new. My advantage is ability to learn anything by myself in short periods of time. I believe hard work is a key to success. I consider myself communicative and friendly.

Hard Skills

Python workflow
Django/Flask/FastAPI basics
JS/TS (Nest, Express)
RDBMS (PostgreSQL, MySQL, Azure SQL Server)
NoSQL (Mongo, Redis)
Linux (DEB, RPM, ARCH) + Bash
Git workflow + GitHub
Docker + docker-compose
AWS (S3, EC2) basics
GraphQL (queries, mutations)
RabbitMQ basics

Theory Knowledge

Calculus
Linear Algebra
Analytic Geometry
Discrete Math (Boolean Logic)

Algorithms
Game Theory
Graph Theory
Probability Theory
Software Modeling (user stories)

Languages

Russian, Ukrainian – Native
